Overnight Reassurance	Mon - Thurs	Fri - Sun	Public Holiday
Sleep Over	\$295	\$330	\$420
Live-in 24h	\$674	\$708	\$761

\$4,400 Special Price for full week - 7 days

*Standard hours are 6am to 8pm. Active infection PPE may incur \$10-\$20 per visit, depending on the care recipient's infection. Support Worker's shifts may be additionally billed the worker's time and KMs (at \$0.95 per KM) for commuting to the shift. This would be under special circumstances, such as sudden change in legislation, or staff required to travel long distances to a shift by a client's special request, due to emergency or inflexibility in time or day of shift. This charge would be for commuting to the client's home. This will always be advised and discussed at time of booking, if relevant.

**This package includes 6 hours of care at \$57 per hour/\$342 per week. It is great for those living with mild to moderate dementia as it leaves enough time to do 3 sessions of cognitive and physical exercises. Extra hours can be added at \$57 per hour.

***RN shifts will have travel KMs added at \$0.95 per KM.

All prices exclude GST. GST is not charged for services under Home Care Package funding, CHSP funding or NDIS funding. GST typically applies for private-pay services, except personal care and nursing services.

'Find and introduce' service is available to find you a Support Worker for direct-hire. Cost is a flat fee of \$3,000. Care Plans must include all shifts as live-in shifts, or 5+ hour shifts. Statutory Declaration to abide by all applicable laws and regulations required, plus a letter from your health professional endorsing your Care Plan (or a Care Plan prepared by our RN can be arranged for \$500). Your government funding cannot be used to pay for direct-hire services, with the exception of a self-managed NDIS plan.

Commonwealth Home Support Programme

With a CHSP code, Support Worker cost is \$8 per hour (the rest of the cost is covered by your code).

NDIS

With an NDIS participant number, a plan manager or self-managed plan, and funding for core supports, your Support Worker costs for assistance with self-care are fully funded by your NDIS plan. Speak to your plan manager or support coordinator about hiring our services to add some reliability to your weekly support schedule.

Co-Managed Packages have lower management fees than Fully Managed Packages and are available to clients who meet the eligibility criteria. Fully Managed clients who have been with Pearl for 18 months can also request to be considered for the rates in this pricing document.

Our Approach to Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Pearl Home Care provides excellent Care Management in close collaboration with our clients. We are constantly monitoring our clients to make sure you are receiving the most benefit from your package, achieving the goals stipulated by you in your Care Plan, and defining new goals in the process. We can incorporate many allied health services including Physiotherapy, Podiatry, Occupational Therapy, Speech Therapy and Reflexology, and also organise equipment, gardening and home maintenance, including carpet and window cleaning.

**Use of package within budget incurs no cost-gap / out of pocket expenses (for full pensioners and low income earners with no Government-mandated ITCF. For care recipients with ITCF, the ITCF will need to be paid fortnightly).

Your actual services and products expenditure will vary from this quotation based on your Care Plan and will likely vary over time. You may vary the expenditure as and when needed. Spending is directed by you, however must be governed by a Care Plan prepared together with us and, if applicable, with input from your routine health care provider.

For more information on the services available in your area, contact the Pearl Home Care team for a complimentary and obligation **FREE** in-home assessment and care plan estimate.
